

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than 60 years of experience effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to offering new design concepts and top quality to be able to meet the diverse requirements of their customers.

TREK Cleaning Machines always provides fresh design ideas as proven in their product development. They like providing products that energize both their partners and their dealers and offer production gains to their customers.

The TREK team of employees likes new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements combined with their understanding of cleaning applications, together with owners' strong desire to significantly lessen cost through productivity gains.

When needed, the workers within TREK and its several dealer members in both parts and in technical support will be obtainable. One of their core values is their high service devotion in their customer service. Keeping their customers' cleaning equipment ready and working daily is top priority. The company's top of the line technology delivers reliable equipment which eventually reduces your cleaning expense. The service, the product and the price all work as one so as to make them an industry leader.
